

This Sunday we rally back to Sunday School and Wednesday night confirmation classes, as children and adults begin and continue to learn about Jesus. We will install our teachers and confirmation mentors on Sunday morning and for fellowship time we will eat ice cream!

After the time with children, pre-school and grade school students will go with their teachers to the Fireside Room for continued learning and crafts. Two confirmation classes will be held this program year for 7th – 9th graders on Wednesday nights. And our Adult Bible Study engages in lively conversation, this autumn we study the first book of the Bible, Genesis, every Thursday afternoon at 1 pm.

Jesus said, let the little children come, and we do too! All of God's children continue to learn and grow, no matter what their age, as we discover how much God loves and cares for us.
